WARRANTY STATEMENT NEUTON POWER NP SERIES BATTERIES

YHI Power Pty Ltd guarantees to the original user that all YHI Neuton Power NP series batteries supplied be free from any defects in materials and workmanship for a period of one (1) year from date of delivery of goods.

The user shall promptly report any alleged defects to YHI and allow inspection if requested.

If YHI Power finds unit(s) to be faulty, they will be repaired or replaced at no charge to customer FOT Sydney, Melbourne, Brisbane, Perth or Adelaide.

Conditions of Warranty:

- a) Batteries must be operated in accordance with the Operating and Maintenance Instructions provided with the goods when sold. This warranty excludes failure due to electrical or mechanical abuse such as over or under charging, mis-application, high temperature abuse or physical damage due to incorrect fitment.
- b) Warranty terms are based on use in float standby application and maintaining an average daily temperature not more than 25 °C .
- c) Ripple component of current into battery must not exceed 3 % of C₁₀ rating in amps.
- d) YHI must be notified within 14 days of discovery of alleged defect.
- e) Any goods returned to YHI must be at customer's freight expense.
- f) Proof of date of purchase to be responsibility of the customer.
- g) Warranty is limited to repair or replacement of cells only and excludes labour, consequential and incidental damages to other equipment.
